TRANSITIONAL HOUSING REPORT

CAV’s award winning Transitional Housing Program provides subsidized housing for up to 24 months to individuals and families leaving emergency shelter or unsafe living situations. Based on the unique needs of each household, the program tailors support and resources for participants to develop stability and skills to live safely and independently again.

Since expanding the program to off-site leased housing, CAV has housed 35 households, and is currently housing 12 households of 12 adults and 42 children.

PAST CAV TRANSITIONAL HOUSING PROGRAM PARTICIPANTS SHARE THEIR STORIES:

“It’s hard to believe that just a few months ago I was in shelter, but now I have a job and am feeling like I have an incredible future in front of me. This transformation in my life is all due to the wonderful staff at CAV.”

This program has helped me get through a very traumatic situation. It has helped me become more confident in myself, helped me notice things that are wrong, helped me financially, emotionally and in every possible way imaginable. Big up CAV!”

CAV PREVENTION, OUTREACH AND EDUCATION

Our Prevention, Outreach, and Education team works to educate and engage the entire community in preventing domestic and sexual violence of children and adults. Their job is to raise awareness through educational presentations, business training, community events, and media awareness on how to stop violence before it happens. Last year, the prevention program:

- Reached 647 students through 164 classes and community outreach programs including 8 community organizations, businesses, and schools to enhance safety and their location for both youth and amphitheatres
- Organized and participated in 17 community events reaching 1,647 people
- Worked with 37 participants in CAV’s "CHANGES" program, a 52-week, state-certified domestic violence offenders intervention program
