UFO-Cow Merchandise

In 2009, a local artist who created the UFO symbols on cow crossing signs came up with the cow-themed play on CAV's name and donated the right to use the images to CAV. "Cows Against Violence" is CAV's lighthearted nod to the oddball side of New Mexico's modern popular culture. (To the cows, of course, it's a more serious business.)

Proceeds of Cows Against Violence merchandise, found at the CAV Thrift Store, directly support CAV's prevention, intervention, and treatment programs.

CAV Thrift Store

CAV's Thrift Store is located at 1509 Paseo del Pueblo Sur in Taos, has a large sales floor for your shopping pleasure and a drive-up donation area.

You're sure to find special items at super prices with the help of our friendly staff.

Your shopping dollars help support critical services for children and adult survivors of domestic violence, sexual assault, child and elder abuse, stalking, and human trafficking, and violence prevention programs. Your donated items directly help survivors start new households and new, safer lives.

Through the Thrift Store Gift Certificate Program, CAV provided \$29,015 in gift certificates directly to community members in need. CAV also donated books, clothing, household goods, and other needed items to community members, teachers, and schools.

Since 1978...

Community Against Violence (CAV) has continued strong partnerships with you, our northern New Mexico communities. Because of this, we have been able to provide emergency services, shelter, counseling, and housing to survivors of domestic and sexual violence, child and elder abuse, and human trafficking, and prevention programming even through this pandemic. We are proud to share what your financial donations and support have made possible!

Last year, CAV services reached 1,689 people. This includes 881 people who received free and confidential direct services.

Transitional Housing Report

CAV's award winning Transitional Housing Program provides subsidized housing for up to 24 months to individuals and families leaving emergency shelter or unsafe living situations. Based on the unique needs of each household, the program tailors support and resources for participants to develop stability and skills to live safely and independently again. CAV provided a total of:

- 7,052 housing nights in off-site leased transitional housing units to 10 adults and 18 children.
- Housing needed-Looking for landlords to lease to CAV. Call 575-758-8082

A CAV client shares their story:

"It's hard to believe that just a few months ago I was in shelter, had no job and was severely depressed. Now my child and I live in a safe, warm and peaceful home, I have a job and I am feeling like I have an incredible future in front of me. This transformation in my life is all due to the wonderful staff at CAV."

CAV Prevention, Outreach, & Education

Our Prevention, Outreach, & Education team works to educate and engage the entire community in preventing domestic and sexual violence of children and adults. Their job is to raise awareness through educational presentations, business training, community events, and media awareness on how to stop violence before it happens. Last year, the prevention program:

- Reached 721 students in 35 classrooms and 76 community members in 7 organizations.
- Organized and participated in 9 community events reaching 1,386 people.
- Worked with 64 participants in CAV's "CHANGES" program, a 52-week, state-certified intervention program for people using power and control tactics in their interpersonal relationships.
