TaosCAV.org

For 41 years,

Community Against Violence (CAV) has provided northern New Mexico communities with emergency services, shelter, counseling, and housing to survivors of domestic and sexual violence, and child and elder abuse. A major reason CAV has been successful is the financial donations and dedicated volunteer support from our community members. Thanks to this, CAV provided

838 people with confidential and free services this last fiscal year.

TRANSITIONAL HOUSING REPORT

CAV's award winning Transitional Housing Program provides **subsidized housing for up to 24 months to individuals and families leaving emergency shelter or unsafe living situations.** Based on the unique needs of each household, the program tailors support and resources for participants to develop stability and skills to live safely and independently again.

Since expanding the program to off-site leased housing, CAV has housed **27 households**, and is currently housing **8 households of 7 adults and 12 children.** This year we intend to add an additional **4 houses** to the program.

PAST CAV TRANSITIONAL HOUSING PROGRAM PARTICIPANTS SHARE THEIR STORIES:

"It's hard to believe that just a few months ago I was in shelter, had no job and was severely depressed. Now my child and I live in a safe, warm and peaceful home, I have a job and I am feeling like I have an incredible future in front of me. This transformation in my life is all due to the wonderful staff at CAV."

"This program has helped me get through a very traumatic situation. It has helped me become more confident in myself, helped me notice things that are wrong, helped me financially, emotionally and in every possible way imaginable. Yay for CAV!"

CAV PREVENTION, OUTREACH AND EDUCATION

Our Prevention, Outreach, and Education team works to educate and engage the entire community in preventing domestic and sexual violence of children and adults. Their job is to raise awareness through educational presentations, business training, community events, and media awareness on how to stop violence before it happens. Last year, the prevention program:

- Reached 865 students through 162 classes and community outreach programs including 6 community organizations, businesses, and schools to enhance safety at their location for both youth and employees

- Organized and participated in 7 community events reaching 1,170 people

- Worked with 24 participants in CAV's "CHANGES" program, a 52-week, state-certified domestic violence offenders' intervention program

Clark, CAV's original facility service dog, is ready to enjoy retirement this year, after 7 years of dedicated service and snuggles! This past year in Dog Group, 16 child clients of CAV helped to train Carmel and his friends: **Sgt. Stubbs, Hachi, Humphrey, Argyll** (all Labrador Retrievers), and **Bode** (Golden-doodle).
