### Have something else in mind?

Call or email us at 575-758-8082, info@TaosCAV.org and tell us how you'd like to help.

## UFO-COW MERCHANDISE

Get your original UFO Cow items from CAV's own line of t-shirts, hoodies, mugs, totes, magnets, and stickers! All proceeds support CAV services. Join us in a fun message of local lore and support a great cause. Think of UFO Cows when you want to give a fun, truly Taos gift! Find them at CAV Thrift Store.

## CAV THRIFT STORE

CAV's New Thrift Store will be located at 1509 Paseo del Pueblo Sur in Taos! Look for our grand opening soon. We are very excited to offer a larger sales area with plenty of space for all the donations received, a large parking lot, and covered drive-up donation area.

The donated items and thrift store proceeds support services for child and adult survivors of domestic violence, sexual assault, child abuse, stalking, and human trafficking. Your donated items also directly help survivors start new households and new lives.

Through the **Thrift Store Gift Certificate Program**, last year 752 people in need were given \$21,505 in gift certificates to CAV Thrift Store. Of that, \$4,800 was distributed to St. James Episcopal Church, Taos Men's Shelter, DreamTree Project, and the Shared Table at El Pueblito United Methodist Church.

## For 42 years,

Community Against Violence (CAV) has provided northern New Mexico communities with emergency services, shelter, counseling, and housing to survivors of domestic and sexual violence, child and elder abuse, and human trafficking. This has looked a little different during the pandemic – CAV was able to continue these critical programs because of financial donations and support from our community members.

Thanks to this, CAV provided 787 people with confidential and free services this last fiscal year.

## TRANSITIONAL HOUSING REPORT

CAV's award winning Transitional Housing Program provides subsidized housing for up to 24 months to individuals and families leaving emergency shelter or unsafe living situations. Based on the unique needs of each household, the program tailors support and resources for participants to develop stability and skills to live safely and independently again.

Since expanding the program to off-site leased housing, CAV has housed 42 households, and is currently housing 11 households of 9 adults and 9 children.

## CAV CLIENTS SHARE THEIR STORIES:

*"I have benefitted from the many CAV services and programs for me and my family – counseling, housing, food boxes, financial classes, and legal guidance. The advocates are helpful and understanding. At CAV, you matter – and that's all I could ever ask for."*

*"During one of the hardest times in our lives, while our whole world seemed to be crashing down around us with the dangers of COVID, it was a rude awakening to find that the biggest danger was in our own home. We found caring people at CAV who gave us amazing protection and support in a caring, non-judgmental way."*

## CAV PREVENTION, OUTREACH AND EDUCATION

Our Prevention, Outreach, and Education team works to educate and engage the entire community in preventing domestic and sexual violence of children and adults. Their job is to raise awareness through educational presentations, business training, community events, and media awareness on how to stop violence before it happens. Last year, the prevention program:

- Reached 442 students through 132 classes and community outreach programs including 4 community organizations, businesses, and schools to enhance safety at their location for both youth and employees
- Organized and participated in 8 community events reaching 1,073 people
- Worked with 28 participants in CAV's "CHANGES" program, a 52-week, state-certified intervention program for people using power and control tactics in their interpersonal relationships.

CLARK

## MEET THE CAV SERVICE DOGS!

Clark (pictured wearing tie), CAV's original facility service dog, is enjoying retirement after having been awarded a "Lifetime Community Hero Award" from the NM Coalition Against Domestic Violence in January 2020. He received his award in front of the NM State Legislature. CAV's Dog Group, a weekly group play therapy program for child survivors, had to take a break during the pandemic. We are all looking forward to getting back together as soon as possible! Clark's nephew, and CAV's current facility service dog, Carmel, can't wait to bring joy. (pictured)
